

HOPE propels to achieve the impossible

It drives us towards our pursuits.

It is the north star by which we navigate by.

Hope is the light at the end of the tunnel

Without Hope we are like a rudderless ship

Tossed about with no direction

But When we find, and have hope again

We are invincible to all life situations

That gobble you up, and spit you back out.

Hope is the pinnacle of our lives,

It's our ambition

And stays when everything else scattered away.
